JOSIAH TURNER, Jr., EDITOR.

THE TORTURE OF PRISONERS IN NORTH CAROLINA.

However much the Radical press of North Carolina may attempt to cover the the villany of their leaders and palliate the outrages of their hired militia, the fact remains beyond all question, that the most unwarranted and unprovoked cruelties have been practiced by Kirk's men in several notable instances. It is vain that they assert that their prisoners are humanely dealt with, when the public know that some of them have been wickedly and wantonly maltreated. The Raleigh *Standard* denies that Mr. Patton, of Alamance, was hung up by these militia, but we have the best testimony that he was so punished, and we have it from a reliable source that Kirk himself publicly asserted in Yanceyville last week that Patton was hung up by the thumbs three times, to extort a confession from him in regard to the murder of Outlaw.

There can be no doubt either, about the cruelties which were inflicted upon Mr. P. A. Wiley, former sheriff of Caswell, by some of Kirk's irresponsible soldiery. Wiley was seized while at work on his farm; he was denied the privilege of going to his house for a change of apparel; he was placed on a bare back horse, his feet tied under the horse; and in this predicament he was trotted off to Yanceyville some ten miles distant. Arrived at Yanceyville, he was led into a room in the court house, surrounded by armed men with fixed bayonets and locks cocked, and there bound and at the mercy of these wretches, he was ordered to confess to the murder of Stephens, on penalty of instant death! His vile accusers at the same time declared they had evidence of his guilt and told him he had as well own up at once. Mr. Wiley, unappalled by such threats, simply replied to these fellows boldly that they were a set of liars and thieves, and that if they chose they might fire away. He was too brave a man to be intimidated by their menaces or humbled by their cowardly persecutions.

After awhile, when the scene shall change, when law and order shall be restored and when an outraged community and State shall seek to visit simple justice upon the authors of these crimes, Holden and his colleagues will cry out for mercy and swear they never did these things. But the facts will remain all the same, a blot and a stigma upon the Radical party and an everlasting damnation to Holden's administration.—*Danville Register.*

From the St. Louis Republican.

THE TROUBLES IN NORTH CAROLINA.

We trust President Grant will lose no time in giving his personal attention to affairs in North Carolina, and put an end by some means, we hardly care what, to the turmoil now going on there. That a State nominally in the Union, whose Senators and Representatives, are occupying seats on the floor of Congress, and whose people are supposed to be under the protection of the Federal Government, should be the scene of such outrages as our dispatches chronicle from day to day is a disgrace to the nation, and to the party in power. Men, women and children are flying into Virginia to escape the tyranny which prevails at home; Kirk and his negro militia are arresting peaceable citizens by the score, and North Carolina is in a worse condition, socially and politically, than at any time during or since the war. All this comes from the machinations of Gov. Holden and a little group of Radical office holders and office-seekers who are willing to inaugurate a hell upon earth rather than risk the loss of their places by the result of a fair, untrammelled election. Heretofore this State has been even more quiet and well-disposed than any of those belonging to the late Confederacy; there have been comparatively no disturbances of any kind, and the inhabitants have uniformly manifested a disposition to cheerfully accept the situation, and render prompt obedience to whatever laws reconstruction imposed. Unfortunately for them they chose a bold, bad man for Governor, who, instead of using all his efforts for the promotion of harmony and prosperity, has steadily sought to arouse animosity and kindle hatreds almost forgotten. Yet, in spite of Holden's plottings, in spite of his usurpations and his plundrings, the people there have made no resistance, and are making none now, though insulted, abused, and driven away by the miserable ruffians which he has armed and put in the field to do his will. These people, as citizens of the United States, claim the right to hold an election in accordance with their own and the Federal Constitution, and if this is denied them, they ask to be protected in their persons, liberties and property from the assaults of an enemy which they are powerless to withstand. It is the solemn duty of the President to extend them this protection promptly, and to take such measures as shall insure the maintenance of order in North Carolina. He ought not to permit his action in the premises to be guided by the views of Gov. Holden or Mr. Robert Douglas, but he should examine for himself and apply the remedy without regard to personal or political sympathies. The case is urgent, delays are dangerous, and we hope to see the Executive show himself fully capable of comprehending the situation, and mastering it.

The negroes of South Carolina are now going in for their own share of the spoils of office, and making the carpet-baggers take back seats. In three Congressional Districts they have nominated two negroes and one white carpetbagger for Representatives, and the latter is running in a district in which he was beaten several thousand votes at the last election; and will again be badly beaten by the Democrats. In the remaining district, Whittemore and a negro are contestants for the Radical nomination. We can't say which stands the best chance to get it, but if any white Radical is elected in Congress in South Carolina, we hope Whittemore will be the man.

The negroes, who furnish all the votes are right in claiming the offices. It is a confession of their own inferiority and debasement—the 15th Amendment and Civil Rights bill to the contrary notwithstanding—to send a white Radical to Congress when the negroes have all the voters of the party.—*Columbus Ga. Enquirer.*

The ladies of Weldon intend holding a Fair to aid in building a Methodist Episcopal Church at that place.

AN INNOCENT ABROAD—THE TRIBUNE CORRESPONDENT INTERVIEWS BILLY SMITH—BILLY BLOWS HIS HORN.

One of the numerous branches of the Beecher tree has been, and may be now, in North Carolina, writing letters to the *Tribune*. His letter of the 6th inst., which appears in the *Tribune* of the 9th, shows two things: First, that the writer has placed himself in no position to obtain correct information in regard to affairs in this State, and secondly, that this correspondent is exceedingly green and easily played on. There are some points of the letter that will be news to most of our readers. We give a few extracts with comments as follows:

This correspondent went from Raleigh to Goldsborough where he "caught" Billy Smith and interviewed him. He says:

"Smith is a popular man, and, strange to say, a Republican. He is the only one of the party with whom I have conversed who can tell me that he has escaped the social ostracism which has cut off from association with the old and aristocratic Rebels of the State those of their former associates who have since the war taken sides with the Republican party."

Billy will, no doubt, feel an increased importance on the announcement in the *Tribune* of the fact that he still maintains with the "old aristocratic rebels," his former social *relationship*; we are ready to endorse his assertion; we don't think the relationship and intercourse of Billy with the aristocratic class, so formed by him, has been much changed by his turning Rad. Some of this class will smile at this frank confession of Billy's as well as at a comparison the correspondent draws between him and Dean Richmond.

Owing to these "social relations" and other extraordinary qualifications, as Billy told the correspondent, he was urged by the "committee" to go to Alamance and run for the Senate.

"A friend of his, Mr. Smith told me, who was a Ku Klux leader, and whom he had put under considerable obligations to himself, when he heard that Mr. S. was intending to run, gave him assurances of safety, went about among the Ku Klux of Mr. Smith's neighborhood, and used his influence against any violence toward Smith; and but for these peculiar circumstances, he, in his own opinion, might probably have suffered assassination."

When! what a lie!

"I particularly inquired of Mr. Smith concerning the frauds charged upon the State administration in the matter of railroad bonds. My inquiries drew forth a very emphatic response. The Legislature, he said, was full of d—d rascals of both parties; that the majority of them were among the Conservatives; that they had been guilty of the most infamous frauds."

We record this as an evidence of the correspondent's greenness, and we have no doubt that Smith laughed in his sleeve when he discovered that he had impressed this lie upon his "interviewer," in face of the fact that the Rads had a surplus over two thirds in both branches of the Legislature, and that, although the Governor had no veto power to check the extravagance and stealing, he appointed and kept in place the very men that did the stealing, and keeps them in place yet.

Here's a rich paragraph from Billy's disclosures.

"He (Smith) knew of no Republican but himself who had broken through the crust of 'old grannyish' exclusiveness which hedged about the slaveholding, F. F's, and he was a plain sort of a man who would stand no nonsense."

A regular "Joe Bagstock, *dam me!* There is no nonsense about tough old J. B!"

All that about the people of the State, especially the women, hating the U. S. government, and training up the rising generation to hate it, it is simply false and nothing else. It is very true that the women, the men, and the children, all entertain a rather unfavorable opinion of the specimens of Republicanism, native and imported, which are placed among us as representatives of the government, but they expect these to be displaced in due time by men entitled to their respect. On this head both Billy and the correspondent misrepresent the people of the State, the one for want of honesty, the other for want of sense.

But we want the people of North Carolina to see what Billy's views are in regard to the manner in which they ought to have been treated.

Mr. Smith: "There ought to have been hangings throughout the South of such as could have been convicted of murder at the close of the war, and they would average at least one for every county in the South. There should have been confiscation of the property of prominent Rebels, and their influence for evil would be now crippled. It was a mistaken magnanimity that let the Rebels off so easily. They did not expect it themselves, and the results of the policy showed its error." "To remedy that error now it would be necessary to adopt the most stringent measures against the Ku Klux and its friends, who were the old aristocratic element of the South."

That is what Billy thinks of those "aristocratic rebels," with whom, by his mere force of character, and absence of all "nonsense," he has persistently maintained his (former) "social relations."

The remainder of this letter of the Beecher sprout is a tissue of lies, misrepresentations and weakly efforts at ridicule of the people of this State. So long as such correspondents of Northern papers continue to stuff the Northern mind with such villainous falsehoods, so long will misunderstanding and ill feeling exist, and the best interests of both sections be seriously impaired.

MODERATION! MODERATION!

Some of our friends are counselling the triumphant Democratic Conservative party to great prudence and moderation. Proper caution and a wise forecaste requires this of a great party flushed with victory and smarting under the grievous wrongs of their opponents. We must not become intoxicated with our successes. We must not perpetrate upon our worst foes, even while suffering under their outrages, wrong or injustice. Again, they may *merit* the severest retaliation and punishment, but we *must not* seek revenge, but *the good of the State*.

If however, those who plead for moderation, mean that the villains who have plundered the State, who have beggared our people and have outraged the rights of our citizens, trodden civil liberty under foot, ignored the *habeas corpus*, and arrested and mistreated illegally our citizens, shall be treated with lenience and forbearance, as if they deserved mercy, we have no patience with such moderation.

The Constitution while it is a Constitution, must be literally and fully observed, the integrity of the law must be maintained, bad laws must be repealed, incompetent and wicked officers must be removed from office and if violators of the civil law should be punished. But in doing all these, great moderation, caution and foresight must be observed. *We must be sure we are right, and then go ahead.*

THE COLORED PEOPLE.

Either some of our friends are too mischievous or too thoughtless or they are belied. We learn that many negroes are complaining to their white friends, that some young Democrats are telling them, that they will have to go back into slavery and will loose their rights if the Democrats succeed in controlling the country. We do not believe that any Democrat, young or old, has made any such statement. It is the old tale of the Radicals. They have circulated this falsehood from the first.

We repeat to the colored people of North Carolina what we have often said, and they may rely upon it, *that the Democratic Conservative party will not rob them of a single right they now have under the Constitution and the laws*, but will defend and protect them in those rights as sacredly as they will the whites. They will pass no law nor do anything, that will not bear alike upon all.

But let us admonish all, white and colored, abandon the hope of gain or of a support from being politicians and office seekers. Go to work. The soil needs tillage—the State demands of all to go to work and become producers and not consumers. Leave the towns where you must live from hand to mouth or be slaves to party all your lives and go into the country and go to farming and become independent and happy.

EDGECOMBE COUNTY.

It is a source of regret that any cause whatever, should have prevented any portion of our friends in that County from going to the polls and voting the Democratic Conservative ticket. It is said that 800 Democrats in old Edgecombe did not vote in the late election.

Our friends there committed the serious blunder which we hope never will be repeated any where in the State again, of failing to nominate a strait out Democratic Conservative ticket at the opening of the canvass, simply because the Radical majority was so large they could not hope to overcome it. No one therefore was personally interested in canvassing the County and stirring up the people, and the result is that Edgecombe is almost the only County in the State, that gave an increased Radical majority. In the Presidential election in 1868 the vote stood 2631 for Grant and 1473 for Seymour, giving a Radical majority of only 1208; now the vote stands: for Phillips, rad. 2878 and Shipp 776, the large majority of 2103! a Radical gain or rather a Democratic Conservative loss of 894! Who is to blame for this? It would be well for the Democratic Conservative people of Edgecombe to investigate the causes of this unaccountable vote.

Edgecombe has two excellent weekly newspapers, both Democratic. The addition of a good newspaper advocating right principles, ought to have added to the Democratic vote at least 1000, instead of decreasing it 800! We deeply regret this result. One of the best signs that our good friends in that County intend to do better in future, is, that the people of Edgecombe are sending in large orders for the SENTINEL.

CONTINUED LAWLESSNESS IN ALAMANCE.

We learn that about daylight a few mornings since, the mail train on the N. C. Railroad was required by an armed band of Kirk's men to stop at **Graham** station, and that this band, numbering about twelve men, leaped on board with seven citizens of Alamance, whom they had seized as prisoners, yelling and cursing the prisoners and pointing pistols at their persons with threats of instant death, &c., and in this way took them to Company Shops. The leaders in the crowd and most boisterous in their threats, were three negroes who appeared to take great delight in the scene of barbarity. The defenceless victims appeared to have been taken from their beds in the night, and not to have been allowed to dress comfortably, and hardly decently. How long are these outrages and oppressions to continue?

The citizens of Edgecombe county are making preparations to celebrate appropriately the recent Conservative triumph in this State.

THE INQUISITION IN FULL BLAST.

Every now and then we hear of prisoners who have been seized by Kirk; those who have been denied the privilege of the writ of *habeas corpus* and any information of the charges preferred against them, being transported to Raleigh and subjected to examination in secret before the Governor and his minions. We suppose, from the Boyd specimen, that, instead of the examination and evidence, to which by law the vilest criminal is entitled, the public is to be treated to a volume of this secret testimony as big as that of a Spanish Inquisition, and about as creditable to the witnesses and their extorters. Such proof as this would be scouted as confessions against the witnesses themselves, and is simply ridiculous as offered against others.

ANOTHER CONFEDERATE SOLDIER RETURNING HOME.—Mr. Wm. H. Long, of Franklin Co., N. C., arrived here on the 7th inst., from the State Prison in Indiana, where he has been confined since the surrender. He states that he left in prison ten other Confederate soldiers, who will serve out terms varying from ten years to a life time. Mr. Long is now trying to get home, and any assistance rendered him will be fully appreciated, and, we belive, deserved.

We should be glad to know the truth of the above, taken from the Newbern *Journal of Commerce*. The statement that he left in the State Prison of Indiana ten Confederate soldiers and that he had been recently released himself, if he means they were placed there simply as captured prisoners from the Confederate army, is incredible if not absurd. Some of them may have been incarcerated in the State prison of Indiana for high crimes in the State and not because they were captured Confederate soldiers, and this idea is confirmed by what Mr. Long says, that "they will serve out terms ranging from ten years to a life time." Such statements should be received with great allowance. Fraud, deceit and villainy are rife in the country, and it is too late in the day to attempt to excite sympathy for captured and imprisoned Confederate soldiers, unless the statements are supported by the very best evidence.—If however, as this man Long intimates, that there are now ten Confederate soldiers confined in the State Prison of Indiana, as *captured* Confederate soldiers, he ought to give their names and the causes of their imprisonment, in order that prompt measures may be taken for their release at once. But if, as we suspect, his statement has any foundation and they are imprisoned for high crimes in that State *since* they were Confederate soldiers, they are not entitled to sympathy, unless it can be shown they are wrongfully imprisoned.

New York Correspondence.

NEW YORK, Aug. 8, 1870.

All honor to the true men of North Carolina! The wires convey the thrill of your victory, and the lovers of law and order rejoice. The imaginary nocturnal Ku Klux seem not to exist, but a real live Ku Klux Governor has exhibited himself, by daylight, to receive the scorn and execrations of the lovers of justice everywhere. Honest men of his own party repudiate and denounce him. Sworn to support the constitution and laws, he openly violates them and leaves no argument in his favor for those, who for the sake of party, would like to defend him. It is now seen that he had determined to carry the election "any how." To do this he declared Alamance and Caswell in a state of insurrection, when there was not an armed man in either county. He sent his armed minions to arrest and imprison innocent men; to hang by the thumbs and neck men to extort confessions; to deter voters and keep them from the polls; to run others out of the State; to molest women and children; and finally defied the civil Court and the civil law. Thus he executed the laws of the State! As long as he conducted his affairs by intrigue, he could humbug the Northern Republican masses. But the drop scene is hoisted, and the hideous diabolism is revealed—honest men of all parties, look on with amazement, loathing and disgust. With them military commissions "are played out," and the creature who would revive them is scorned.

CRIME IN THE NORTH

is, by no means, uncommon. Look in any daily paper and see the record of crimes. Has any one ever known one of these Governors, because a few crimes had been committed, to declare a county in a state of insurrection and send an army to arrest men and prevent their trial by a civil Court?—If there is one who would dare do such a thing, it would result in his political doom, if not something more serious. Now that the war fever has subsided, drum head Courts are not tolerated. Even "the holy rifle" which formerly controled the ballot box of Kansas, has ceased to have its outspoken admirers. The little tyrant in the South who has heard of war and seeks the warrior's reputation by sending out orders from "these Headquarters," in times of peace, is placed in the category of Don Quixote, but when he violates the law and disarms justice, he is considered a criminal. The artillery, those "fast shooting guns," sent to your State to frighten voters, might, with as much propriety, have been sent to New Jersey to hunt elephants.

THE ARREST OF MR. TURNER,

of the SENTINEL is received with indignation. It is considered an act of sneaking revenge and personal malignity to one who has the boldness to expose the lawless conduct of a so-called Governor.

THE SENSATIONS

of the day are horse races, boat races, yacht races, murders and the European war, in which hecatombs of brave men must pour out their blood as a libation to the wounded honor and ferocious ambition of King and Emperor.

The following extract of a letter to a friend in this city, is from a source which entitles it to all confidence. The writer resides in the State of New York but is fully posted in North Carolina affairs:

"The lion-hearted Democracy of the North, sympathise with the faithful Democracy and Conservatives of the good Old North State, in her present triumph over the meanest and most malignant of vulgar despotisms, ever before attempted to be perpetrated upon respectable people in this Republic! Of course the infamous legislation and the awful swindles of the Radical *Chiefs* of the present "State government" will be *wiped out*. Go on and apply the pruning knife until you clear the political halls of State of Radical thieves, swindlers and robbers."

For the Sentinel.

LEXINGTON, N. C., Aug 8th, 1870.

Editor Sentinel—DEAR SIR: We wish you and all the good people over the State to rejoice with us in our success. We have elected the entire Conservative ticket (except Register) even in Radical Davidson. "Sound the loud timbrel o'er Carolina's *bright* era."

This is glory enough for one election. Gen. Leach is also elected to Congress by a good majority. I repeat, rejoice with us, all good men, for old North Carolina ("may Heaven bless her,") is redeemed from the bonds of Radicalism.

The contingency and mule county has spoken and repudiated Holden and his war upon innocent people. By the way, present our compliments to Gov. Holden and say to him that we thank him for calling out his militia to aid us in the election, and in future we advise him to recollect that curses (such as militia) like young chickens, come home to roost. We also beg leave to thank him for the great service the Auditor, his man of contingencies, has rendered us in the election. And we shall also ever be grateful for the services of the "*mule man, W. F. Henderson.*" I assure you he has helped us a great deal in carrying this county for the Conservatives, notwithstanding he and Adams are Radicals, yet their character is so bad and they have become so obnoxious to the people that they have determined to go against them on all and every occasion. I assure you that we have men to represent us in the next Legislature that any county might well be proud of.

Frank C. Robbins for the Senate, a brother of Senator Robbins of Rowan, a good and pure man. These two brothers we know will stand up for the best interest of North Carolina. For the Commons we have Jacob T. Brown a promising young lawyer and Jacob Clinard a merchant and farmer of irreproachable character. With such men as these we hope to see our good old State soon take the position she deserves and we also hope soon to see the disgrace and ignominy imposed upon her by Holden and his thieves removed and that prosperity and happiness may once more be our portion. We to day feel proud of our people and our State and even of our county. For the last two years I have been almost ashamed to tell a man that I was from Davidson County, but now thank God we can hold our heads up and feel like men who have achieved a great victory, done a great deed and defeated a thieving Radical party. To the Hon. Josiah Turner, Jr., and the prisoners of Alamance and Caswell we extend our heartfelt sympathy to each and every one of them, and we would assure them that they are not forgotten in this their hour of affliction by the good people. We are glad indeed they submitted so quietly to their arrest, as we are satisfied that out of the multitude of their sufferings the State has been redeemed and we hope soon to see them restored to their families and friends, and we feel that they should be honored as *Heroes* the remainder of their days. The people of this county openly call for the impeachment of Holden on the assembling of the Legislature, for his arrest of innocent men and his complicity with swindlers and thieves in robbing the State. I think nothing short of this will satisfy an indignant and an outraged people. Since the election in Lexington and the defeat of the Radicals, there has been a plot discovered whereby Adams (the Auditor) and some of his co-workers intended to have some ten of our best citizens arrested, but up to this time there has been no arrests, and the accused parties have demanded an investigation. The Radicals seem to die hard up here. The plot alluded to above is as follows: It seems that a mean and villainous negro was hired by some still meaner white men to make a lying statement, as follows, that on the night of the election he (the negro,) was concealed under a prominent lawyer's office in this town, and while there he heard the lawyer and some ten men meet in the room above and that they decided to kill a great many prominent Radicals in the State. This is the most infamous lie that the mind of man could conceive. In the night aforesaid no one was in the office above mentioned, all of the men alluded to were at their respective homes long before this negro says they were.

The lie is so palpable that no one believes it, not even the negroes, but I have no doubt that the *Standard* will harp over it and herald it to the world as a new K. K. K. development.

The negro since that has run off—and I understand he said before he left that he had been hired to make this statement, but had not been payed. Look out for him down at Raleigh, with some big lie as to being run off from Lexington.

Excuse my lengthy communication and in conclusion allow me to congratulate you on the able manner in which you have conducted the SENTINEL since the arrest of the editor.

Yours truly,

REDEEMED.

For the Sentinel.

STATESVILLE, Aug. 10, 1870.

Editor Sentinel:—The people of Western North Carolina are more than jubilant over the victory which God has given us in the late election contest, where civil liberty and justice were arrayed against tyranny and outrage, and prevailed to the extent of an overwhelming defeat of Holden and Radicalism! The battle was strong but the people were stronger, and stormed the hated citadel of corruption. Henceforth North Carolina will take a new start in government and prosperity under the just laws that will be enacted, to be administered by virtuous and just officials, who will have the welfare at the people, as of old, at heart.

Our citizens have hastily made up a small purse and sent it to Hon. Josiah Turner Jr., as a tribute of their appreciation of his efficiency in the canvass and sympathy for him in the outrage of his imprisonment for denouncing scoundrels—such as Holden.

Tell the Sheriffs of the various counties, not to pay a dollar of tax money into the public Treasury, before the assembling of the Legislature, if they can legally refuse to do so; that it may not be used by Holden to pay the cost of his army, for the Legislature will not appropriate a single dollar for that purpose, and every dollar that may have been so used, will be required of the officials. Let them note that.

X.

THE Virginians must have a spite against "our" Senator Pool. Not willing to allow him to remain quiet at Cobb's Island, immediately upon his leaving that pleasure resort he is arrested in Norfolk for debt—he gave bail, however, and came on his way rejoicing. What's the matter with the Senator's purse? The parties arresting him will doubtless be brought before the bar of the Senate next session for interfering with the privileges of a Congressman *Roanoke News*.

A colored man, passing the telegraph office last night and hearing the click of the keys when touched by the operators, remarked to a companion that "De sewin' machine made heap of noise." The pair halted an instant, listened intently and then moved away, satisfied that the wonderful weaving of news was only the stitch, stitch, of the tailor. Both "amendments" are supposed to have voted for Dockery.

YOUNG, HEALTHY, VIGOROUS AND CONDUCTED BY A WISE, PRUDENT, AND ECONOMICAL BOARD OF DIRECTORS UPON A

NEW SYSTEM,

devised by its talented and distinguished Actuary CHAS. N. MORGAN, which must make it the leading Company in America, for persons in

MODERATE CIRCUMSTANCES,

and all who appreciate and demand the most UNQUESTIONABLE SECURITY, at rates in most cases, considerably lower than those of the leading Mutual Cash Companies.

The Excelsior issues Policies on all the plans of *Mutual* or *Stock* Companies, extending to policy holders, all the really desirable advantages. Its policies being *non-forfeiting*, the insured are privileged to *live and travel where they please* in any healthy part of the world, they participate in its profits, are allowed 30 days grace for payment of renewal of premium, a cash surrender value of policy, and a *privilege* which has never been offered by any other Company, that of converting Policies into

ANNUITY BONDS,

after the payment of 5 or more annual premiums.

Hitherto, I have been restricted in the very popular Company which I had the honor to represent to *Stock rates* alone, which most of the *Mutual*, and mixed Companies have adopted. This disadvantage, together with the multiplication of many new Companies, in this State, who claimed to possess unusual charms, together with the extraordinary attractions presented by the Excelsior induced me to accept the management of that Company, whose plan combines *all the* popular features of other Companies, represented in this State, without an exception, and the additional privilege of converting policies, which the holder can not afford to keep up, or wishes to discontinue, because of the death of those for whose benefit the policy was secured, *into an Annuity Bond* which provides an *income in cash through life, or for a series of years as preferred.*

Circulars giving full explanations and any other information, will be cheerfully furnished.

The most liberal arrangements, will be made with first class solicitors, to push the EXCELSIOR forward in the Old North State, to that position which her low rates and most ample security entitle her to occupy.

P. F. PESCUD,
Gen'l Manager.

Give Hughes and Otey a call.

ANOTHER CLUB.—Yesterday we chronicled the reception of a club of 55 subscribers, for a mill year, from Tarboro'; to-day we receive one from Wm. P. Graves, Esq., of Caswell, of twenty two. Besides this we are receiving smaller clubs and single subscribers in abundance. We can but thank our friends for their kind offices in behalf of the SENTINEL, and strike out with renewed effort to deserve them.

THE JOHNSTON COUNTY RADICAL RIOT.—We alluded, some time since to the fact that Alfred B. Williams, a colored Conservative of this county, was attacked by a Radical mob at Smithfield, on the 30th of July, on the occasion of a public speaking there, and put in jeopardy of his life for his political opinions. A warrant for several of these rioters was issued by U. S. Commissioner, A. W. Shaffer, and to-day the following were up before him for examination, viz. Charles H. Snead, Alec. Thain, Henry Thain and Sydney Penny, white, and George Hill, Josiah Blackwell, James Murchison, colored.—There were other parties included in the warrant but they have not yet been taken.

Messrs. S. F. Phillips and George H. Snow appeared for the prosecution, and Messrs. D. G. Fowle and A. M. Lewis for the defense.

A number of witnesses were examined whose testimony shows that a most furious effort was made on the part of the mob to get hold of Williams, who fled to escape their fury, and that threats to kill him were made by several while they were pursuing him.

Snead and Murchison were released from custody, as there was nothing in the evidence which connected them directly with the assault, and the Commissioner reserved his decision in regard to the others until to-morrow. In the meantime they are in custody of the Deputy Marshal, but were not sent to jail as were the young men from the Buckhorn settlement.

MILITIA—MILITIA.—A number of our cotemporaries both in and out of this State, when speaking of the raising and conduct of Holden's State troops, persist in calling them *militia*. This is a mistake and a perversion of truth. Gov. Holden has not called a single militiaman and armed him to suppress riot or insurrection or to enforce the law. He had the lawful right to organize the State militia and call them out to suppress insurrection and to enforce the law. This he has not done, but has, without the shadow of law, enlisted volunteer State Troops and armed and equipped them to make war upon the people, at an enormous expense. Let this fact be remembered.

Wm. Jones, a colored man, and his wife were drowned in the Cape Fear river three miles below Wilmington. They had been up the river, a short distance, in a small boat, and were on their way back when the boat was capsized.

A colored man by the name of Benjamin Stately, died in Wilmington on Sunday last, aged 103 years.

The first Fair of the Carolina Horticultural Society, opens to day at the Masonic Hall in Wilmington.

Sound Logic for the Sick.

The invalid has often good reasons to exclaim, "save me from my friends." As a general thing, each of them will have a different medicine to propose, and if he follows all their prescriptions in turn, their well meant advice may be the death of him. The only sensible course in any case of sickness is to resort promptly to a specific which has stood the test of a long and widely extended public experience, and obtained on solid and sufficient grounds the reputation of a Standard Remedy. This rank among the restoratives of our day belongs of right, and beyond all dispute, to Hostetter's Stomach Bitters. Let those who are taking it at this debilitating season as an invigorant answer for themselves as to its tonic properties Can any dyspeptic who has ever used it, question its superiority as a stomachic over every other medicine? Can any person of bilious habit, who has ever taken it for liver complaint doubt its efficiency? It is believed among the tens of thousands who are now using, or have heretofore used it as an alterative and corrective, not one can be found who would exchange it for any other preparation in the known world. For intermittent fevers nervous debility, constipation sick stomach, and all complaints arising from indigestion or impoverishment of the blood, it is the only article which can be conscientiously guaranteed, and no one who is thoroughly acquainted with its virtues will allow interested dealers in worthless slops, on which they make a larger profit, to furnish them in the place of the great vegetable restorative.

A BRILLIANT DISCOVERY.—Every man and woman in the land, whose locks have been touched with silver by time, or prematurely whitened, has reason to rejoice that PHALON'S VITALIA, or SALVATION FOR THE HAIR, is numbered among the wonder-working products of this age. A discovery. It is clear and free from sediment, while the shades of color it imparts are more natural than those produced by any other agent.

aug 9-sodlw

OUTRAGES.—We noticed some days ago, the shooting of a U. S. soldier by one of the colored guard, while passing the camp of Col. Clarke's colored State troops at the Baptist Grove, while in a state of inebriation. No one justifies the act. It was unnecessary and cruel, but from what we hear, the guard may have obeyed his orders, as we learn, that the orders given them are such as would not be proper, in a state of actual war. We are glad to learn that the U. S. soldier is rapidly recovering and that the natural excitement and feeling which the affair produced in his comrades is subsiding. The case we hope will be thoroughly investigated, and if the offender transcended his orders that he shall be punished.

We however notice this case by the way, simply to allude to the course we are told, pursued by the colored squad from Colonel Clarke's colored command, stationed near Gov. Holden's residence and, as it is understood, for his special protection. We are told that our citizens while passing by Mr. Busbee's and Mr. Fisher's at night, are halted by this guard and made to give an account of themselves. On one occasion a citizen states, that at the instant he was halted, he heard the click of the hammer of the musket in the hands of the guard. Is this according to order? Is it right and proper? We think not, and we mention it in order that the wrong may be corrected.

HOLDEN AND POOL.—It is rumored that an angry correspondence is going on between those unwashed scape-graces, W. W. Holden and John Pool. Pool seeing the mischief that has been done, wants to shirk his share of the responsibility, and charges upon Holden that he has gone farther than he advised. Tourgee also says, that he did not approve of Holden's course. Others will seek to hide themselves behind this plea, but they will be brought out from their hiding places and made to face the music. Pool and Holden are of the same kit. Both of them will sacrifice the dearest friend at any moment, to accomplish their own selfish purposes. They are both outlawed from the affections of the people of North Carolina and will get their dues. Let them quarrel and fight. When "thieves fall out, honest men," &c.

ELECTION NEWS.—The returns come in very slowly, although enough is known to verify the statement already made that the State has gone Conservative by a considerable popular vote, with a large majority—almost two-thirds in each branch of the Legislature.

We intended to insert our table of the popular vote by counties to-day, but owing to the fact that the result in several counties known to have gone Conservative, has not been received, and others given only by majorities, we postpone it until we can give it in more complete form. We hope to be able to fill it out completely, in a day or two, and also to give a complete list of the members elect of the Legislature.

HAYWOOD COUNTY.—A correspondent at Waynesville writes: "The Conservative majorities in this county are as follows: Shipp, 322, Harper 308, W. L. Love 126, Welch 356. It is believed that every county west of this has gone Conservative, Cherokee gives up a majority of 150 to 200."

GONE TO CASWELL.—It is rumored about the city to day, on what foundation we are not informed, that the Governor has sent Rotating Dick to Yanceyville on important business connected with "the army" and the prisoners illegally held there in confinement. Dick is a very convenient fellow and particularly useful to the Governor about these times. It may be he has gone up there to take confessions. We should like to hear him taking Jo Turner's. The scene, no doubt, would be rich.

SENDING OFF GUNS.—We understand the Governor sent off about four hundred guns from his arsenal in this place to Company Shops, yesterday. What new use the Governor has for arms up there we have no means of ascertaining, as all his movements are mole-like and secret. It may be that he is going to declare more counties in insurrection and arrest more men, and perhaps women and children. We have heard of no resistance to law any where, but that makes no difference; he has his military tail up and means to go through the motions of war, insurrection or no insurrection. He seems to be imitating the old woman whose husband, when she wanted news she made it. When the Governor wants an insurrection he makes it—by proclamation.

NORTH CAROLINA.

The news is that the State has gone overwhelmingly Conservative, and that the Radicals elect but two out of the seven Congressmen. The Legislature has been thoroughly purged, and the one elected

WILL REPRESENT

the people of North Carolina. Whatever financial and other outrages were perpetrated by the black-and tan Legislature that preceded it, will be remedied as far as possible, and the reign of Holden, Clingman, Cantwell, and the whole Radical crowd of former Secessionists is ended. A Conservative United States Senator is secured in place of the

CHIVALROUS ABBOTT,

the fire-eater from New England, and in the lower House of Congress five men at least will worthily represent their *native* State.

In addition to the sorrow that the Radicals must feel for their present melancholy condition, they have the mortifying consciousness that they have

THEMSELVES TO THANK FOR IT.

Never did a party go into power under more flattering auspices than did Holden and his partisans, and had not their corruption and outrageous tyranny been such as to alienate even those who elected them to office, with their advantages they might have staid in as long as they pleased. As it is, they have

DUG THEIR OWN GRAVE,

and the people of North Carolina last Thursday buried the whole batch out of sight. It is hard to say which they put down the deepest, the carpetbaggers or the scalawags—but neither of these bands of disinterested patriots will rise again till Gabriel's trump shall sound.—*Norfolk Journal.*

PROVIDENCE, August 11.—Richard Arnold shot his wife and himself fatally.

NEW HAMPSHIRE.

PORTSMOUTH, August 11.—Farragut is still sensible.

NORTH CAROLINA.

WILMINGTON, August 11.—The grand political demonstration ever witnessed here is now progressing in honor of the recent Conservative victory in this State. The railroads and steamers brought in hundreds of persons from other counties this evening. There is a grand illumination, a torch light procession and bonfires. The whole city is alive with excitement; cannon firing and a display of fire works. Thousands of persons in the procession and on the streets but good order and feeling universally prevail. There are no mottoes or devices or transparencies to give offence to the defeated party, and everything is conducted in the most dignified and conciliatory manner. Among the speakers was Col. A. M. Waddell, Conservative congressman elect in this district. His speech is considered important as foreshadowing to some extent the future policy of the Conservative party with regard to the negro. The following is an extract: "Without presuming to dictate to others, I will express the hope that one of the first acts of the next Legislature, which will be largely Conservative, will be a formal declaration of their intention not to disturb the black man in the enjoyment of the rights guaranteed to him by law. They will restore if possible, the school fund of which he in common with his white fellow-citizens, has been robbed and will pay the debt of universal education which is due from the State; not as the Republicans have done, in unfulfilled promises but honorably and to the last farthing of the means at their command and that their whole course will exhibit them as reformers and not as revolutionists."

VIRGINIA.

NORFOLK August 11.—Commodore Junius J. Boyle, on the retired list of the United state Navy, died to-day at the Naval hospital. The body will be temporarily interred in the hospital cemetary.

FOREIGN.

LONDON, August 11.—The Earl of Derby, in a public speech strongly urged non-intervention.

Telegrams from Metz give assurance that Bazaine is the real commander-in-chief of the French army. Two corps are now at Metz.

At the battle on Worth the French charged the Prussian eleven times. McMahon was fifteen hours in his saddle without food and fell from his horse fainting into a ditch, but was accidentally discovered and recovered sufficiently to direct the retreat of his shattered army on foot. There were no horses left.

The City Council of Brussels voted Victoria thanks for asserting Belgian neutrality. The leading houses at Antwerp decline to transact business.

It is feared that the *Bois de Boulogne* must be sacrificed to the defence of Paris.

The *Pall Mall Gazette* re-affirms the presence of the Prince Imperial and Imperial jewels in London.

PARIS, August 11.—The Senate adopted the project of the law tending to the arming of the nation.

The session of the Corps Legislatif was very stormy. Tumults interrupted the business. The President, worn out with the fatigue of the proceedings, closed his office to maintain order and the chamber soon dispersed.

Great activity at Cherbourg. A dispatch from Metz says the Prince Imperial is still there where the Emperor will certainly make a stand. The Prince de Joinville and the Duc de Aumale are at Wassenbaden. Count de Paris in England.

Admiral Rodnicier will command the Parisian defences with eight thousand navy cannoneers with the left wing at Savern.

The radical journals *Reveille* and *Rappel* have been suppressed.

The last official act of De Grammont was the sending of one Belgian [illegible].

Feeble attempts to proclaim a republic at Marseilleise and Toulon were easily suppressed.

LONDON, Aug. 12.—The Strasborough garrison has one regiment of foot and a small force of national guard with supplies in the place in proportion to the garrison; the capture of Strasborough will be easy. The first Prussian corps is at Padippsberg.

Duke De Chartres has asked permission to serve in the French army, claiming the right as a Frenchman.

The telegraph is authorized to contradict the report that the Prince Imperial of France is in London.

The *Times* of this morning says, "The pride of France is wounded, her prestige dimmed. Who brought this on her must suffer for it."

PARIS, August 12.—Hostile garrison is decreed in a state of seige. The *La Liberte* says, the Orleans Princes have volunteered. The *Gaulois* says Palikao has prepared for the submission to the Emperor, ordering all Germans from French soil within 12 hours. Correspondents returning from the front say they were in great danger of being hanged by the people who take all foreigners for Prussians.

La Payes publishes a letter from Desmoulins, at Nancy, denouncing Napoleon's bad generalship. After declaring the Prussian triumphs, it says, "The people are desperate." The soldiers believe themselves betrayed, and clamor for a leader.

Thiers is reported to have said that the Empire is ended and a Republic is inevitable."

CHOLERA.
HOW TO CURE IT.

At the commencement of the Diarrhœa, which always precedes an attack of the Cholera, take a teaspoonful of the Pain Killer in sugar and water, (hot, if convenient) and then bathe freely the stomach and bowels with the Pain Killer clear. Should the diarrhœa or cramps continue, repeat the dose every ten or fifteen minutes until the patient is relieved. In extreme cases, two or more teaspoonfuls may be given at a dose.

The Pain Killer, as an internal remedy, has no equal. In cases of Cholera, Summer Complaints, Dysentery, Asthma, cures in one night by taking it internally, and bathing with it freely. Its action is like magic, when externally applied to Old Sores, Burns, Scalds, and Sprains. For Sick Headache and Toothache, don't fail to try it. In short, it is a PAIN KILLER.

Directions accompany each bottle.

The Pain Killer is sold by all Dealers in Medicines.

MR. THOMAS H. BRIGGS: Dear Sir:—Yours of 13th instant inquiring as to the merits of the "Utley Cotton Press" is to hand and in reply I would say that I have tried other Presses and consider the *pains upon which the Utley Press works* cheaper, simpler and more durable than any I have met with.
Yours very respectfully,
JAS. A. WILDER.

LIFE ASSURANCE SOCIETY

GENERAL AGENTS,
CHARLOTTE N. C.

THE EQUITABLE
HAS BECOME THE LEADING COMPANY OF THE WORLD.

Its New Business (sum assured), for the year 1869, exceeded that of the second company in rank by more than TWENTEEN MILLION DOLLARS.

In 1860 it was the 9th Company in new business for the year; in 1861 it was the 8th; in 1862 and 1863, the 7th; in 1864 and 1865 the 6th; in 1866, the 4th; in 1867, the 3d; in 1868, the 2nd;

In 1869 it was the FIRST.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "ANNUAL" AFTER THEY ONCE BEGIN TO PAY THEM AT ALL; but they DO NOT BEGIN TO PAY until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends, at the end of *one year*, and each year thereafter, equals FOUR HUNDRED AND THIRTY-SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

Applications for Assurance may be made to any of the Society Agents throughout the country, or in person or by letter to the General Agents.

Gentlemen of character desirous of forming a connection with the Society as Agents are invited to communicate with its General Agents.

PUFF OF SATISFACTION.—Nothing is more grateful than the solace of a good-flavored and free-smoking cigar. Such are Mohegan's Bankers, the best cigars for their price in the country. They have become so universally popular in North Carolina, in Raleigh particularly, that all the inveterate smokers are breaking their pipes.
We honestly think two boxes of Mohegan's Bankers might be induced to influence even Grant to compassion in regard to the suffering Cubans.
We recommend the Bankers, and know whereof we affirm, for as we write we are consol-d with the pr-ud satisfaction of puffing one, and enjoy it hugely.—*Norfolk Journal.*

NON-EXPLOSIVE COMBINATION BURNING FLUID
THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN
THE WORLD!!
No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!
EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!
IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.
Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!
No accidents have ever happened with it.
Protected by Copy right for 28 years from May 8th 1863.
The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.
Among the numerous testimonials received read the following:
PHILADELPHIA, March 15th, 1869.
The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

A. BALDING'S
PATENT GLASS SUBMERGED
DOUBLE-ACTING FORCE PUMP,
SUBSTITUTE FOR A FIRE ENGINE.
THIS Pump will pump 30 gallons of water per minute, will never cut out the packing, has no friction, no water ever stands in its pipes to freeze, and is less liable to get out of order than any other pump now used. It can be set up in a short time by any ordinary mechanic.
The No. 3 pump for yard wells will be sold at from $20 to $30, capable of throwing 30 gallons of water per minute. The price of No. 2 for railroad stations, throwing 60 gallons per minute, will be given upon application.
Having the exclusive right to this pump for the states of North and South Carolina, and having established a factory for the manufacture of them at Wilson, N. C., I will receive orders for them at Wilson, and will ship them by Express C. O. D., or, if the money is sent me, by the regular freight. The number of feet in the depth of the well must be given in all cases

MR. J. L. KITCHIN:
DEAR SIR.—We certify that the "Balding Pumps" put up by you in the town of Scotland Neck are a perfect success. They pump very rapidly, and by attaching hose, will throw water from 40 to 60 feet and would prove invaluable in case of fire.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!
THE BROOKLYN LIFE IS THE ONLY COMPANY IN AMERICA WHICH GUARANTEES
DEFINITE CASH SURRENDER VALUES,
IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.
The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks*,—upon which elements of administration the security of a Life Insurance Corporation *depends*.
The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*
Insurers, in looking around for Companies in which to insure, should carefully seek for this important SAFEGUARD. It will be found in the BROOKLYN LIFE.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.
The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.
To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."
